

Emergency Restoration

GSA Schedule 562910REM, 562910RMI, 541990

When disasters happen, we have you covered. With our 24/7 response team, we take immediate action to secure your property to minimize the impact it can have on you and your property. At First Atlantic Restoration our priority is to ensure both you and your property are our number one priority because we understand that dealing with the aftermath of a disaster can be both devastating and stressful. No matter the problem - water, fire, smoke, mold, storm, or whatever you can think of, we are here to help. We offer emergency response to make the recovery process quick and simple. A fast response is crucial, not only for containing the situation and avoiding significantly more damage, but also to minimize the restoration costs as soon as possible.

Our award-winning reconstruction department can replace just a wall or section of a roof, tear down and rebuild a wing, or even an entire building. As a class A general contractor, our crews include professionals highly trained in framing, interior and exterior finishes, flooring, wall board, cabinetry, counter-tops, window installation, roofing, plumbing, electrical, painting, and more. We fast-track each construction project while maintaining high-quality workmanship.

Remediation & Facilities Maintenance

GSA Schedule 562910REM, 562910RMI, 541990

First Atlantic Restoration's Environmental division specializes in disinfection, commercial abatement, including asbestos and large-scale mold, commercial duct cleaning, spill response, and indoor air quality monitoring. First Atlantic maintains healthcare and government facilities through monitored remediation within HEPA filtered negative air containments. Regular cleaning, maintenance, and disinfecting has allowed high risk facilities to remain operational through health crises.

The division is led by David Guy, who has over 20 years of industrial hygiene experience. It is this experience and leadership that provide confidence when addressing repairs within an immune compromised space.

Contract Holder
Contract Number 47QRAA22D005S

CAGE Code 1SB49
SWaM Certification Number 693235
SAM UEI FJMLWM3CKgM4
Accepts Credit and Purchase Cards

Relationships

PORTSMOUTH REDEVELOPMENT AND HOUSING AUTHORITY / 1.1.18-12.31.22 / \$556,970.29
 NAVFAC / 1.1.18-12.31.22 / \$62,188.34
 FORT EUSTIS / 1.1.18-12.31.22 / \$72,052.86
 HOMEPORT / 1.1.18-12.31.22 / \$190,372.39

Completed Projects

US COAST GUARD / NASA MICHOD FACILITY / PRIME CONTRACTOR / WAREHOUSE REMEDIATION

- Date: 10.31.22-11.11.22
- Contract Value: \$39,716.90
- Description: A U.S. Coast Guard leased warehouse was infested by rats and required remediation to restore it to a safe condition. First Atlantic Restoration disposed of hazardous materials and chemically cleaned the entire facility interior. HEPA filtered airscrubbers and hydroxyl generators were used to restore the indoor air quality. U.S. Coast Guard personnel monitored the project and provided final clearance.

NATIONAL PARK SERVICE / GREAT SAND DUNES NATIONAL PARK / PRIME CONTRACTOR / MOLD REMEDIATION

- Date: 7.10.23-8.26.23
- Contract Value: \$175,652.94
- Description: A burst water pipe in a National Park Service owned duplex released approximately 6000 gallons of water into the structure. First Atlantic Restoration was responsible for mold remediation, disinfection, and waste disposal. All work was done in compliance with New York City Department of Health and Mental Hygiene November 2008. A third-party monitor provided an inspection, monitoring, and final clearance.

LIFENET HEALTH / VIRGINIA BEACH & RICHOND FACILITIES / PRIME CONTRACTOR / REOCCURRING DISINFECTION

- Date: 3.22.20-8.05.22
- Contract Value: \$1,459,605.10
- Description: Routine disinfecting of seven healthcare facilities for over the span of two years. Six facilities are located in Virginia and one in Richmond. Twice a month, First Atlantic Restoration disinfected each facility with Tomi Steramist products, which utilize ionized hydrogen peroxide.
